

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING (AI&ML)

Initiatives and Implementation of Sustainable Development Goals (SDGs) KITS Warangal

Key Observations:

1. SDG 4 (Quality Education) is the most dominant across all academic years, with 333 total internships, reflecting a strong institutional focus on skill development, online learning, and technical training.
2. SDG 9 (Industry, Innovation and Infrastructure) is the second most addressed, with 218 total internships, highlighting the department's alignment with engineering, manufacturing, automation, and tech innovation.

Internships / Industrial Training Provide SDG-related internships or training programs.

Academic Year: CAY, CAY-1, CAY-2
