Smt K. Shailaja & Sri G. Raju
I/c EIE Association

Dr.M. Raghu Ram
Head, Dept. of EIE

12.08.2021	Introduction to EIEA Committee Formation
------------	---

Head of the Department Raghu Ram sir addressed the students motivated and encouraged to conduct the events. Enlightened the students with his valuable inputs which helped in integration of seniors and juniors to walk in progressive path to build their career.

Faculty In charger Smt.K.Shailaja and Sri G.Raju Introduced the EIE Association and the role and significance of Association hour ,and the previous Association activities conducted, They gave brief description of workshop ,technical events ,PPT 's ,cultural, Alumni interaction, Industrial Visits, Industrial experts talks, Seminars related to higher education, Aboard education, seminars on steps for preparation for GATE,PSU and IES career guidance exams all the events and activities that are going to be conducted in this Association hour. The EIEA Association Student Council was nominated and was formed to conduct various events and smooth going of Association Activities.

ALUMNI TALK: 26-08-21 Association hour

ALUMNI TALK on these event HOD sir Dr.M. Raghu Ram sir, smt.R. Nirmaladevi mam, Dr.K. Venu Madhav sir, Dr.O. Anjaneyulu sir, smt.K. Shailaja mam, sir G. Raju sir.

Alumni is the term used for a passed out or ex-student of a school/college/university. When the ex-students of an institute are called for a meet event, then it is called the alumni meet.

Alumni meet is a fun and memorable event for every passed-out student. They get a chance to meet their classmates, friends, and teachers and relive the heartfelt moments of their life. In the alumni meet, people also get a chance to share their stories, struggles, and success tips.

18-09-22 Ethical hackers

On the students of 7th semester of B.Tech. EIE and 3rd ,5th and 7th semester of B.Tech. ECI are attend the Association slot.

THE EVENT NAME:

1.Ethical Hacking presentation

By the Akhil Andrew of 5th semester.

His was explained about the ethical hacking which is most interesting thing Most of the students are interested in hacking so with the help of the course we may learn about the ethical hacking.

Ethical hackers are those that specialize in ethical hacking techniques they can any device sitting at home and controlling someone's personal life with this technology things, hacker general take advantage of this things because they steal our personal information and blackmail and demand for money, they are the professionals that breach systems or networks to search for possible.

Hackers with good intents can match ethical hacker talents and mentality only you can trust ethical hackers System administrators can hire and certify ethical hacker.

ALUMNI INTERACTION: 1-10-21

On 1-10-21 the Alumni interaction with juniors was conducted on this association hour this may help for the students.

Alumni interaction pave the way for an inclusive and bright future for the youth.

Today, alumni relations are an important part of an institution's advancement activities for many reasons: Alumni are an institution's most loyal supporters. Alumni are fundraising prospects. Alumni generate invaluable word-of-mouth marketing among their social and professional networks.

Alumni Meet is a gathering of passed out students of an institution and it is a place where the institution feels proud on seeing its successful alumni. During their meet, the alumni community shares their experience in the outside world, which they faced after stepping out of the institution.

Guest Lecture on Higher education by IMFS: 18-11-21

The students of 5th semester and 7th semester of B.Tech. EIE are attended the association hour on 18-11-21

THE EVENT NAME:

Guest Lecture on Higher education by IMFS Warangal(KP Singh education

This sir was told about the higher education now a days most of the students want preferring for higher education. sir was give clear idea about higher education by IMFS. So, most of the students were participated in this event and this event was success.

This section will give so much impact for the students on based higher education .so our collage was providing such events to get an idea on the higher study .

With the help of faculty organizers Smt.K. Shailaja madam, Sri.G. Raju sir. And our HOD sir support the association was huge success.

Many of the students got clarity about the IMFS and helped the students for the higher education.

Alumni Talk:17-02-22 Association Hour

Alumni of KITSW ,2016 passed out A. HariTeja working as Manager for Starup Company., interacted the students and shared his experience ,motivated the students regarding start up ideas and entrepreneurship challenges.

Alumni meet is a fun and memorable event for every passed-out student. They get a chance to meet their classmates, friends, and teachers and relive the heartfelt moments of their life. In the alumni meet, people also get a chance to share their stories, struggles, and success tips. Startup 101: With Startup 101 workshop we aim to help students understand startup life better. Join our Team at the KITS Auditorium from 11:20 am onwards, ask your questions & know more about: How are Startups built? How to make the best of startup life? Why should you experience startup life at least once?

About us:

We are Dinero, a fintech app that aims to help young Indians accomplish financial goals through a unique mix of credit and investment products. We have recently launched a new product, which is an all-inclusive plan aimed at helping users build their 1st Crore with a starting investment as low as ₹100. The plan is designed by Dinero's in-house financial experts to enable optimal returns for long-term wealth creation Dinero is an ISO 27001:2013 certified company. For more information, visit us at www.growyourdinero.com

This interaction was helped for the students and they knew what we have to do in our future. how could we build our future bright.

ASSOCIATION HOUR:3-3-22

EIE And ECI ASSOCIATION FORMATION

Engineering education and practice is major driver of transformation, development, national growth and technological advancement across the globe.

The impact of this disruption is very variable and depends, first, on their ability to stay active in their academic activities. This period of disruption in education has given us a chance to bring more autonomy and self-learning, better assessments and outcomes, and more technology to the classroom.

Technology-based strategies are being adopted by teachers and academic institutions to supply education and to conduct technical events as a part of association

We adapted a SEMINAR HALL to conduct ASSOCIATION HOUR, the team was created with Name “EIE And ECI ASSOCIATION”, the Team formed included members, Principal, Head of Department, Faculty, Staff, students of final, third, second year (AY-21-22)

To uphold the potential of students, and to encourage the students, with valuable suggestions of HOD sir, various technical events were conducted by faculty coordinators and students committee.

On 03.03.2022 The students of 6th 7th semester of B.Tech. EIE and 4th and 6th semester of B.Tech. ECI are attend the Association hour.

This association formation ECI into EIE both together. These formation can create more ideas for students which can help to them .

On this event HOD of ECE dept Dr.Raju sir was the chief guest. With the help of faculty organizers Smt.K.Shailaja madam, Sri.G.Raju sir event was conducted.

ECI and EIE dept are formed by one association which unites two departments. Because a greater number of students can participate in this section .and they can also give their own ideas during this association. Most of the students can have their own ideas and here the platform to present those ideas into this.

Hod of ECE Dr.M.Raju Sir and Hod of EIE, Programme head of ECI Dr.M.RaghuRam Sir Addressed the students and gave valuable suggestions which motivated the students., The student council Body was declared and poster was released. The student president of Association Dharmendra and team ,Faculty In chargers were congratulated for conducted this event.

The EIE & ECI Association Student Council Body was declared and Poster was Released

03-03-22 CULUTRAL EVENT

Engineering education and practice is major driver of transformation, development, national growth and technological advancement across the globe.

The impact of this disruption is very variable and depends, first, on their ability to stay active in their academic activities. This period of disruption in education has given us a chance to bring more autonomy and self-learning, better assessments and outcomes, and more technology to the classroom.

Technology-based strategies are being adopted by teachers and academic institutions to supply education and to conduct technical events as a part of association

We adapted a SEMINAR HALL to conduct ASSOCIATION HOUR, the team was created with Name "EIE And ECI ASSOCIATION", the Team formed included members, Principal, Head of Department, Faculty, Staff, students of final, third, second year (AY-22-23)

To uphold the potential of students, and to encourage the students, with valuable suggestions of HOD sir, various technical events were conducted by faculty coordinators and students committee.

On 03.03.2022 The students of 6th 7th semester of B.Tech. EIE and 4th and 6th semester of B.Tech. ECI are attend the Association hour.

The EVENT NAME:

1. EIE, ECI Association student Executive committee poster release.
2. Talent Hunt (Dance-solo/group)

So, this event main theme was to encourage the student's talent in cultural activities.

Some of the photos are captured during the event and all of the students are performed good.

On this association hour all of the students were presented and they enjoyed the event And also, those who are participated in this they are selected for the sanskrithi-22

Chief guests for this association Mr. VenuMaheshwar Garu, Mr. Anjaneyulu Garu and Mr. Krishna Sundeeep sir with faculty organizers Smt.K. Shailaja madam, Sri.G. Raju sir.

And some of the students are performed the classical dance which is so good to see that Because classical is our traditional dance so students are still following classical dance. The event completed and gathered with lot of memorable moments.

31st March 2022 Association hour

STUDYING AT ABROAD: SCOPE AND OPPORTUNITIES BY IMFS

A seminar conducted on 31st March 2022 in the association hour from 12:10 to 1:15 pm in New Seminar Hall, Block II for ECE students. 75 members have participated and made the event

successful. The orator of the event is Deepthi, Branch manager of IMFS Warangal. This seminar was quite interesting which also provided the guidance to the students who are planning to study abroad. The faculty coordinators .Smt K.Shailaja, Sri G.Raju have also attended the event.
