DEPARTMENT OF MECHANICAL ENGINEERING

ALUMNI FEEDBACK FORM

The Department of Mechanical Engineering, KITSW is implementing outcome based education as per the requirements of National Board of Accreditation. The followings are the program educational objectives, program specific outcomes and Program outcomes of the Mechanical Engineering programme. Based on your experience with Mechanical Engineering please indicate how important these objectives to the professional career. This will help the Department to evaluate and improve the effectiveness of the B. Tech (ME) programme and mould the students to output excellence in their career after graduation.

Objectives of the survey:

1. To gather information on the importance of the Programme Educational Outcomes (PEO), Programme Outcomes (PO) and Program Specific Outcomes (PSO) statements.
2. To measure our graduates' accomplishments of PEOs after their graduation and also to measure their attributes i.e. POs and PSOs on the day of graduation.

The Department of Mechanical Engineering would be grateful if you could spare some time to complete this survey form.

DEPARTMENT OF MECHANICAL ENGINEERING

ALUMNI FEEDBACK FORM

The Department of Mechanical Engineering, KITSW is implementing outcome based education as per the requirements of National Board of Accreditation. The followings are the program educational objectives, program specific outcomes and Program outcomes of the Mechanical Engineering programme. Based on your experience with Mechanical Engineering please indicate how important these objectives to the professional career. This will help the Department to evaluate and improve the effectiveness of the B. Tech (ME) programme and mould the students to output excellence in their career after graduation.

Objectives of the survey:

1. To gather information on the importance of the Programme Educational Outcomes (PEO), Programme Outcomes (PO) and Program Specific Outcomes (PSO) statements.
2. To measure our graduates' accomplishments of PEOs after their graduation and also to measure their attributes i.e. POs and PSOs on the day of graduation.

The Department of Mechanical Engineering would be grateful if you could spare some time to complete this survey form.

The followings are the program educational objectives, program specific outcomes and Program outcomes of the Mechanical Engineering programme. Based on your experience with Mechanical Engineering please indicate how important these objectives to the professional career. This will help the Department to evaluate and improve the effectiveness of the B. Tech (ME) programme and mould the students to output excellence in their career after graduation.

Objectives of the survey:

1. To gather information on the importance of the Programme Educational Outcomes (PEO), Programme Outcomes (PO) and Program Specific Outcomes (PSO) statements.
2. To measure our graduates' accomplishments of PEOs after their graduation and also to measure their attributes i.e. POs and PSOs on the day of graduation.

The Department of Mechanical Engineering would be grateful if you could spare some time to complete this survey form.

The Department of Mechanical Engineering, KITSW is implementing outcome based education as per the requirements of National Board of Accreditation. The followings are the program educational objectives, program specific outcomes and Program outcomes of the Mechanical Engineering programme. Based on your experience with Mechanical Engineering please indicate how important these objectives to the professional career. This will help the Department to evaluate and improve the effectiveness of the B. Tech (ME) programme and mould the students to output excellence in their career after post graduation.

Objectives of the survey:

1. To gather information on the importance of the Programme Educational Outcomes (PEO), Programme Outcomes (PO) and Program Specific Outcomes (PSO) statements.
2. To measure our post graduates' accomplishments of PEOs after their post graduation and also to measure their attributes i.e. POs and PSOs on the day of post graduation.

The Department of Mechanical Engineering would be grateful if you could spare some time to complete this survey form.

DEPARTMENT OF MECHANICAL ENGINEERING

PARENT FEED BACK

The Department of Mechanical Engineering, KITSW is implementing outcome based education as per the requirements of National Board of Accreditation. The followings are the program educational objectives, program specific outcomes and Program outcomes of the Mechanical Engineering programme. Based on your experience with Mechanical Engineering please indicate how important these objectives to the professional career. This will help the Department to evaluate and improve the effectiveness of the B. Tech (ME) programme and mould the students to output excellence in their career after post graduation.

Objectives of the survey:

1. To gather information on the importance of the Programme Educational Outcomes (PEO), Programme Outcomes (PO) and Program Specific Outcomes (PSO) statements.
2. To measure our post graduates' accomplishments of PEOs after their post graduation and also to measure their attributes i.e. POs and PSOs on the day of post graduation.

The Department of Mechanical Engineering would be grateful if you could spare some time to complete this survey form.

Programme Educational Outcomes (PEO) and Programme Specific Outcomes (PSO) are statements describing attributes which should be achieved by post graduates after their post graduation. Please give your feedback by appropriate scale.

PROGRAMME EDUCATIONAL OUTCOMES (PEO)

PEOs Engineering Graduates will be able to	Strongly Agree(3)	Agree (2)	Neutral (1)
PEO 1: To provide comprehensive knowledge in basic sciences, mechanical engineering and multi disciplinary areas.		✓	
PEO 2: To apply modern tools and techniques to design, analyze, interpret and solve mechanical and allied engineering problems and communicate them effectively.		✓	
PEO 3: To impart responsibility towards socio-technical, economical, environmental and energy related issues	✓		
PEO4: To inculcate professionalism, ethical attitude, team spirit and lifelong learning to achieve career goals.	✓		

PROGRAMME SPECIFIC OUTCOMES (PSO)

PSOs Engineering Graduates will be able to	Strongly Agree(3)	Agree (2)	Neutral (1)
PSO1: To apply learned principles and knowledge in various applications of materials, design, thermal, production and industrial engineering.		✓	
PSO2: To model, analyze, design, develop and implement advanced mechanical systems or processes.		✓	

PROGRAMME OUTCOMES (PO)

Programme Outcomes (PO) are statements describing knowledge, skills, behaviors and abilities which should be achieved by graduates upon graduation.

S. No.	Programme Outcomes (PO) Engineering Graduates will be able to:	Strongly Agree (3)	Agree (2)	Neutral (1)
