699/EB/2025 (OTM-MSE)

Date: 09-08-2025

## Exam Fee Notification for One-Time Make-up chance for MSE (OTM-MSE) Improvement for Detained Students (due to backlogs).

(Applicable for B.Tech. batches who have **NOT COMPLETED COURSEWORK**)

**Last date to apply for OTM-MSE: 23.08.2025**

(Collect application form from the examination branch)

It is hereby informed to the students of B.Tech. who have not completed the course work and detained due to backlogs (Not promoted to V Semester & VII Semester) that, **One-Time Make-up (OTM)** chance is given to improve the MSE marks (to the **minimum** required or above).

**Eligibility Criteria: One-Time Make-up (OTM)** chance is given *Only to those candidates*

- Who have **NOT completed their course work and detained due to backlogs i.e. did not pass some of the courses in the End Semester Examinations** due to less marks in MSEs than the minimum required (i.e. **11 marks** as per URR-18 & URR18-R22) as approved by the Academic Council.

In this connection eligible students are informed to apply for the OTM-MSE exam(s), by **collecting the application form from Examination Branch, KITS, Warangal. Submit the duly filled-in application form in the examination branch, KITSW on or before 23.08.2025.**

The detailed schedule of **OTM-MSE** examinations will be released and notified shortly.

### Note:

- Students who secured less than **11 marks** (consolidated) (for URR-18 & URR18-R22) in MSE are only eligible to apply for the OTM-MSE examinations for the **concern** courses.
- For improvement in MSE marks, student has to take **either MSE-I or MSE-II** (of 2-hour duration).
- Results of a course** (for which OTM-MSE taken) **will not be declared based on the MSE improvement marks i.e. End Semester Examination marks (ESE) of previous attempts of that course will not be considered to declare the results.**
- After utilizing the OTM-MSE option, **student should clear the End Semester Examination for that particular course in subsequent ESE supplementary examinations**
- This facility is given as one-time chance only:** If a student has registered, but not appeared for OTM-MSE, then no further chance of OTM-MSE shall be given.

Evaluation process of OTM-MSE marks to consider the improvement marks for the calculation of Consolidated MSE marks (as per URR18 & URR18-R22 Regulation) & Minimum requirement for passing of a course (as per URR18 & URR18-R22 Regulation) is demonstrated with example given below:

### For students admitted under URR18 & URR18-R22 Regulation:

**Max. Marks for MSE: 30**

**Pass Marks for MSE:** { **11 marks:** Provided that candidate secure a minimum of **3 marks in TA** (out of 10).  
**14 marks:** Even if candidate score **ZERO marks in TA** (out of 10).

- BEST MSE MARKS:** Max {OTM-MSE marks, Previous MSE marks (in which candidate took OTM-MSE)}
- IMPROVED MSE MARKS:** 70% of the Max {Best MSE marks, other MSE marks} + 30% of Min {Best MSE marks, other MSE marks}
- IMPROVED MSE MARKS** shall be considered for CIE for all future ESE results processing (in permissible years).

**Example:** Suppose a student has secured **5 marks in MSE-I** and **10 marks in MSE-II**. The consolidated marks secured by the student for MSE is 8.5 (i.e. 70% of MSE-II + 30% of MSE-I), which is less than the required marks i.e. 11 marks to pass in MSE.

If student chooses to appear OTM-MSE in MSE-I and secured 20 marks in OTM-MSE, then evaluation shall be done as below:

- (i) **BEST MSE MARKS:**  $\text{Max}\{20, 5\} = 20$  marks.
- (ii) **IMPROVED MSE MARKS:**  $[70\% \text{ of } 20] + [30\% \text{ of } 10] = 17$  marks
- (iii) **IMPROVED MSE MARKS** (i.e. 17) shall be considered for CIE for all future ESE results processing (in permissible years).

**MINIMUM REQUIREMENT OF PASSING A COURSE:**

A student is deemed to have passed a Theory course, if he/she secures

- (i) 35% of marks assigned to the End Semester Examination (ESE) and
- (ii) 35% of marks assigned to the Mid Semester Examination (MSE) and End Semester Examination (ESE) of the course taken together and
- (iii) 35% of marks assigned to Teacher's Assessment (TA), Mid Semester Examination (MSE) and End Semester Examination (ESE) of the course taken together

**Fee Particulars:**

OTM-MSE Examination Fee per course: ₹ 500.00
