OBJECTIVE:

The objective of the committee is to provide a user friendly website with dynamic web pages, integrating the functionalities of existing CMS & CourseWeb, having simple & attractive design, intuitive navigation, responsiveness, mobile-friendly interface, live chat, connect to social media with enterprise grade website security.

In line with the stated objective, the work order has been given to the TSOnline.

The committee shall

(i) focus on the identified modules and timelines stipulated in the TSOnline work order.

(ii) identity additional modules if any, for enhanced functionality & user experience in addition to the modules and timelines listed in the TSOnline work order.

(iii) identify the faculty as in-charges for various modules; their duties & responsibilities for managing / updating the modules

(iv) provide necessary formats & data requested by the TSOnline team for implementation of modules

(v) ensure correct functionality for various modules during different testing phases.

(vi) finally, ensure the complete functionality of website with dynamic web pages, achieving the stated objective.

(vii) Take up any other work/ functionality on the website suggested by the Principal.

Point of Contact (PoC):

Prof. V.Rajagopal, Professor, Dept. of EEE, is nominated as **Point of Contact (PoC)** for all purposes. He serves as the primary liaison with TSOnline Team.
