STUDENT - CIRCULAR

Sub: Attend ETS sessions through Laptop - Purchase of Laptop – An essential learning instrument – Reg.

****

It has come to the notice of the undersigned that there are several students not yet purchased a Laptop / desktop. Laptop/Desktop is an essential learning instrument for an engineering student. Therefore, all students must have Laptop for academic purpose.

Students need not go for brand-new costly Laptops for academic purpose. Refurbished Laptops are available in the market, at a significantly reduced cost i.e. approximately 1/3rd of the brand new Laptop.

All students are hereby instructed to purchase laptop as soon as possible. Attending ETS sessions through mobiles, Several students faced login problems. Some faced problem while taking test due to conflict between MS Teams logins & Google Logins (you already have in your mobile).

To avoid login issues & issues at the time of taking test, all students are hereby instructed to attend ETS sessions through laptop/desktop only.

Students also require Laptop for Practicum & SEA/SAA activities. Implementation of PRACTICUM using softwares like C, Phython, MATLab and preparing nice reports with proper editing for PRACTICUM and SEA/SAA activities require laptop. The Laptop is also essential for accessing NeoColab coding platform for II semester programming courses viz. DS and PSD.

In this regard, all students are hereby instructed to purchase LAPTOP and make sure that you attend the ETS through Laptop and use it efficiently for Practicum & SEA/SAA course. If you have any clarification or doubt, please feel free to contact your faculty counselor during MYC period.
